League Rules:

Each team will designate the four players who will be playing that night. Each team is divided in to two teams of two, with each twosome playing another teams twosome. Handicaps will be taken into consideration to make it fair for all participants. Prizes will be awarded each week for low gross/net individual per division.

Scramble Rules:

Each team wanting to compete in the scramble format will pay a \$5 per player entry fee. 100% payout of all entry fees taken. Gross and Net payout by sides (front 9/back 9). Our Canyon Lakes Handicapping system will be used to determine net winners giving each team an equal chance to win. Each team will get 1 point towards their league total for each player who participates. If your team has a full 4 person team they will receive 5 points toward their league total. We have 4 scrambles spread throughout the season.
