**General Rules:**

- USGA Rules govern all play except where modified by local rules.
- Canyon Lakes professional staff will serve as the rules committee and their decisions will be final.

- All water hazards are deemed lateral water hazards.
- Roads, cart paths, railroad ties and curbing by cart paths are to be played as obstructions. Drop within one club length of the nearest point of relief, no closer to the hole.
- No relief from grass plants unless marked in a flower bed.
- Embedded ball rule in effect “through the green.”
- All GPS and range finder devices that conform to USGA rules will be allowed.
- **When in doubt about a rule, play 2 balls and the rules committee will make the determination.**
- **Slow players will be warned, then timed and penalized if necessary.**

- Pot will be split into equal thirds by division.
- If there are no gross skins then the pot will be split between the net skins and acey/duecy pot.
- If there are no net skins then the pot will be split between the gross skins and acey/duecy pot.
- If there are no aces/deuces then the pot will be split between the gross & net skins pot.
- If there are no winners in any of the 3 pots, then there will be a draw off for each day.

**If it is not possible to complete the stipulated number of holes for the tournament the final results will be determined by the standing of the last completed round.**

Pairings for Sunday will be done by gross score and division.

*No scores will be posted for handicaps due to course set up.*

Anyone who shoots gross and/or net par or better during the Ball Buster (Sunday) will receive a free entry into the 2018 Tournament.

In case of a tie(s), there will be a playoff for first place for each division gross champion.
